# MESSAGE FROM OUR EXECUTIVE DIRECTOR

This year the program experience growth. Changes were made to better the organization, such as parting ways with the partnership of a NJTL and creating and operating our own NJTL organization. Not only is Ace 2 Deuce CTA but has included a NJTL title.

---

Along with our Ace 2 Deuce CTA goals, our NJTL mission is to ignite positive transformation in the lives of children aged 4 to 18 in underserved communities through the dynamic fusion of tennis, education, and social development. We strive to cultivate well-rounded individuals who not only excel on the court but also embrace essential life skills. By offering free and low-cost NJTL (National Junior Tennis and Learning) programming, Ace 2 Deuce CTA kids demonstrate greater self-control, self-esteem, and self-awareness, preparing them for success.

Empowering  
underserved  
communities
